

March 14th Kindness Day in Remembrance

As you may know, there is a national student day of remembrance scheduled on March 14 to promote school safety and to honor the lives lost in the Parkland, Florida school shooting. We have been working with our student leadership at Davis Junior High School regarding any activities being planned by students in our building. We respect their voice and want this remembrance to be organized in a safe manner and focused on kindness.

Davis students have initiated a poster-signing event during all three lunches to show support for the victims in Parkland, Florida. Students will be able to sign their names in support of the teachers and students who lost their lives.

Prior to Wednesday, I would encourage you to talk to your student regarding their thoughts and feelings about the activities. Our expectation of students will be that they continue to demonstrate the level of respect we see on a daily basis.

If you have any questions, please respond to this email or call the school office at 248-797-2700.

Sincerely,
Brian Shepard, Principal
